538 BROADWAY, NEW YORK.

No person who contemplates purchasing a Sewing Machine for Family or Manufacturing purpose, should fall to send for our of our Circulars, which contains cuts and fall descriptions of the several styles and samples of work, all of which we send by mail free. We claim to have the

Best Sewing Machine in the World For Either Family or Manufacturing Purposes,

And al we ark is a fair trial. Read the following :

IMPORTANTFACTS.

FACT No. 1.—This Company being duly licetard near Machines are protected against infringenesis FACT No. 2.—There Machines make the lock stitch, alike on both sides—and use a little less than nalf as much thread and silk as the chain or loop-

Fact No. 3 .- These machines are botter adapt Fact No. 3.—These machines are notice analysed than any other sewing machines to the market to the frequent changes and almost endless variety of sewing required in a family. They will sew from one to twenty thicknesses of Marseilles without stopping, and make every stitch perfect. They will even sew from the finest gauss to the heavingt cloth, and even stout, hard leather, without changing the feed, perfect or tension or making any adjustment of the needle, or tension, or making any adjustment of th

Fact No. 6.—These machines took the highest premium at the Franklin Institute, Philadelphia
Fact No. 7.—These machines took the highest promium at the New Jersey State Fair.
Fact No. 8.—These machines took the highest Medal at the American Institute in the city of New York, together with the highest premium for fine Sewing-Machine work.
Fact No. 9.—These machines took both the highest premiums at the Machanics Fair, Utica, N.

FACT No. 10.—These machines can do the same thing generally, whenever properly exhibited in competition with other first-class sewing machines.—But we have space for only one more fact—it is the most important fact of all.

FACT No. 11.—We warrant every machine we sell to give better satisfaction than any other sewing machine in the market, or monoy refunded.

If everything usually to be found in any Hardware ent, East or West, with the addition

persudes the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The secondons taint is variously

from its acceptance to the services of the control vill visit the inequities of the fathers upon

He effects commented by a matter, which, in blood of corrupt or ulcersus matter, which, in the lings, liver, and internal or sun, is termed tubercles; in the glands, swellings; and on the surface, cruptions or sores. This foul corthe surface, eruptions or sores. This faul cor-cuption, which indee in the blood, depresses ruption, which under in the shoot, depresses the energies of life, so that scrothlous constitutions not only suffer from acrofulous constitutions not only suffer from acrofulous constitutions not only suffer from acrofulous constitutions and the attacks of other diseases; consequently vast numbers period by disorders which, although not scrothlous in their nature, are still rendered fetal by this taint in the system. Most of the consamption which decimates the human family has its origin directly in this scrothlous contaminations; and again, this scrothlous contaminations; and again, and, indeed, of all the origins arise from or are aggravated by the same cause.

and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cheanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S Compound Extract of Sarsaparilla, the most effectual remedy which the medical skill of our times can device for this everywhere prevailing and fatal malody. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only Serofula, but also those other affections which arise from it, such as Enverymental Skin Diseases, St. Anthony's First, Rose, or Envergence, Pingues, Pingues, Brocketts, Branks and Hours, Triving, Private BLOTCHES, BLAIRS ADDITION, IT SOILS, FIFTER and SALT RIBERS, SCALD BEAD, RESWOOM, RIBERSAYESH, STERRITTO AND MERICHAL DISCUSSION, DESCRIPTION, PROGRAMMY, and, indeed, and Courtains and the popular belief in "topperity of the blood" is founded in truth, for servoful is in degeneration of the blood. The

AYER'S

Headache, and Billions Fevers, indeed for the whole class of diseases origi-nating in billary derangement, caused by the Malaria of Miasmatic Countries. We are enabled here to after the community a remely which, while it curse the above complaints with cer-tainty is still perfectly haviness in any quantity. Such a remedy is invaluable in districts where these sufficient discretes pervait. This "Gyen" expels the mianusing poison of Ferra AND ACR from the system, and prediscribers powerd. This "Crear" expels the missingle-potent of Feven and Acts from the system, and per-perts the development of the discuss. If taken on the first approach of its pressonitory symptoms. It is not only the best remedy ever yet discovered for this close of complaints, but also the chargest. The large quantity we supply for a dellar brings it wishes the reach of every besty; and in billions districts, where Feven and Asken percails, every body should have it and one it treely both for one and protection. It is hoped this proce will place it within the yearsh of allow-the piece as well as the rich.

whatever upon the constitution. These wired by left as bealthy as if they had notes had the discusse. Adding, Polydicking, Princial Asserting of the Spleen Hypteries, Patte in the Decets, Olive Paradyris, and D. resuperated of the Shounds, all of which, when origined in this cause, put on the mirror tend fape, or been periodical. This "Crux" expels the possess from periodical. This "Cum," expels the potent form the blood, not consequently cures throu all alike. It is an invaluable protection to innotation and persons travelling or temperarily residing in the malarites ulterists. If taken occasionally or shally alife expecting the infection, that will be exercised from the vertices, and cannot accumulate in sufficient quantity to the side of the sufficient protection that cure, and few will ever suffer from Internationals if they avail there are of the resterior that a most validation.
